Incorporated: 1761

Origin: This was another of the many towns granted along the Connecticut River in 1761. Lyme takes its name from Old Lyme, which lies at the mouth of the Connecticut River. For many years, the town's name was spelled as Lime in official state documents, however this eventually was decreed a misspelling. Most of the original grantees were from Palmer and Brimfield in Massachusetts, or from Londonderry, New Hampshire. Lyme was one of the 16 towns involved in a protracted border dispute with the independent state of Vermont, before it was admitted to the Union in 1791.

Villages and Place Names: Lyme Center
